SAFETY

Your child(ren)'s safety is one of our main priorities, so we ask that you please follow these guidelines. Thank you for your cooperation.

- Checking In: Please park in the parking lot and accompany your child(ren) to the registration door. Please try to arrive by 5:50PM. Once inside, you will be directed to the appropriate check-in line. If your child(ren) already pre-registered, you will need to verify that information. If not pre-registered, you will need to register your child(ren) at this time. Please stay with your child(ren) throughout the check-in process. If someone other than you will be picking your child(ren) up, please give that person's name & contact information to the VBS attendants.
- During VBS: Your child(ren)'s special medical needs will be reviewed (based on the information provided us on the registration form). We will contact you in case of emergency.
- Checking Out: Please come into church and a VBS attendant will check your child(ren) out with the person designated to do so.
